

Why Have You Chosen Me?

Sponsored by Veronica Lane

Why have You chosen me
to bring to the world
Your Word when You know I stumble
over my own words?
Why have You chosen me
to be Your outstretched hand
to the lost when my hands can't even
carry my own cross?

Why have You chosen me?
I don't know what You see
deep inside of little me
that would make You want to
use and trust and need me.

Why have You chosen me
to be Your awesome love
to them when I can't even
love who I am?
Why have You chosen me
to show Your mercy and Your help
when I can't even
forgive myself?

I may not understand why
You chose me.
I may not understand, but
I'm thankful.
