

Cut Loose My Heart

Featuring Jennifer Erwin, Ashlynn Metheny, & Zac Werley

VERSE 1:

So many puppeteers;
tuggin' on the strings of my heart.
Each one pullin' harder;
pullin' me closer to where I don't want to be.

REFRAIN:

Cut loose my heart
Each and every part
of me that's not of You,
that desires, conspires
to run ahead instead
of hanging on Your Word!
Cut loose my heart!

VERSE 2:

So tangled up inside
Knotted up in uncertainty
Which way to go, don't know
Both ends are twisted by what I don't want to be.
