

Let It Flow

Featuring the Christ the King Choir

VERSE 1:

Can a river begin with just one tear?
Can the depths of an ocean now instantly appear?
From a restless moment in the middle of the night,
From the frantic scribbles done by the moonlight,
in ink something flows,
in my heart something grows.

VERSE 2:

Please don't ever withhold one single drop.
Please don't let any heartfelt words drain away and stop.
From an open heart and from all that I pray
I will pour forth Your songs until the very last day!
With each note and word
let Your great love be heard!

REFRAIN:

Lord, let it flow
Out of Your temple
Your Word, Your song
Carried swiftly along
Springing forth from You
Welling up in me
Flow from the temple
You've made me to be
