

# I Want to Stay

Featuring Jennifer Erwin

## VERSE 1:

I want to stay  
forever before You  
and forever adore You;  
I want to stay.

I want to stay  
Forever to see You  
And to never leave You;  
I want to stay.

## BRIDGE:

Here I am,  
I come before Your throne.  
I never want to wander from this home.  
I've found the one place I know  
And now I never want to let You go  
I want to stay  
Here with You.

## VERSE 2:

I want to pray  
forever before You  
and forever adore You;  
I want to pray.

I want to pray  
Forever to see You  
And to never leave You;  
I want to pray.
