

Last Call (Love Lived More)

Featuring Eddie D'Almeida (lead guitar),
Jennifer Erwin, & Nikki Marsh

VERSE 1:

A voice through the clouds called out my name,
and it fell upon deaf ears, but You loved me just the same.

A thousand chances, dozens of calls
Just one desire, but I rejected them all.
But then came that—

REFRAIN:

Last call!
Last call!
When You called out my name
and I knew it was You
and I finally knew
what You wanted to do in my life;
Your call, O Lord, in my life,
Your love lived more in my life,
that one last call!

VERSE 2:

Rejected and beaten and hung upon a tree
Often ignored and scoffed at by the ones you came to free

BRIDGE:

Lord, You never gave up
But kept calling my name
Lord, I've missed so many of Your opportunities
But then came that last call!
