

What it All Means

Featuring Jennifer Erwin

VERSE 1:

What does it mean to have lived,
except that I have loved?
What does it mean to have loved,
except that I have died?
Love always brings
that pain I don't want,
but love... love is what I need.

REFRAIN:

Take me to the temple of Your love
and sacrifice my life on the altar of the cross.
Jesus, You are all I'll ever need
to know... what it all means.

VERSE 2:

What does it mean to have loved,
except that I have died?
What does it mean to have died,
except that I will rise?
Love has its price
and I've paid with my life,
but life... life is my reward.
